This old time and popular restaurant still maintains its position as a favorite place for our citizens to regale themselves on all the table delicacies, which are prepared in a toothsome manner and served by polite and attentive waiters. This restaurant makes a specialty of broiled steaks and cutlets, and imports coffee of extra quality, thus being able to furnish the best cup of coffee obtainable in the city. Fresh fish every day, and an elegant chicken dinner every Sunday.

Mr. Moore, the Post Master at Bradshaw, Va., after reading an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, concluded to try a small bottle of it. He says: "I used it in two cases for colic and three for diarrhea with perfect satisfaction. One dose gave relief in every case but one, that was a bad case of colic and required the second dose. I have handled a great deal of patent medicine as agent and for my own use, but never tried any that gave as good results as 'Chamberlain's Colic, Cholera and Diarrhoea Remedy.' For sale at 25 and 50 cents per bottle by H. J. Peto.

Not a fit, but an expression of delight. "About a week ago," says a Los Angeles, Cal., druggist, "a Chinaman came in with a lame shoulder. I sold him a bottle of Chamberlain's Pain Balm and guaranteed that it would cure him. He came in again last night, and as soon as he got inside the door, began to swing his arms over his head like an Indian club swinger. I thought the blamed fool had a fit, but he finally stopped long enough to say: 'Medicine velly fine, velly fine; alle same make me feel plenty good.' Chamberlain's Pain Balm, is without an equal for sprains, rheumatism, aches, pains or lame back. For sale by H. J. Peto.

Swift's Specific has cured me of a malignant breaking out on my leg, which caused intolerable pain. It was called Eczema by the doctors—four whom I treated me with no relief. I candidly confess that I owe my present good health to S. S. S., which in my estimation is invaluable as a blood remedy.

Our baby when two months old was attacked with Scrofula, which for a long time destroyed her eyesight entirely, and caused us to despair of her life. The doctors failed to relieve her, and we gave Swift's Specific, which soon cured her entirely, and she is now hale and hearty.

I am satisfied that Cancer is hereditary in my family. My father died of it, a sister of my mother died of it, and my own sister died of it. My feelings may be imagined, when I see the horrible disease made its appearance on my side. It was a malignant Cancer, eating inwardly in such a way that it could not be cut out. Numerous remedies were used for it, but the Cancer grew steadily worse, until it seemed that I was doomed to follow the others of the family. I took Swift's Specific, which, from the first day, forced out the poison, and continued its use until I had taken several bottles, when I found myself well. I know that S. S. S. cured me.
